Professional Experience

Keshet Teamim | 11.2025 – Present

Procurement & Import Coordinator (started as Procurement Assistant)

Joined as a procurement assistant, reporting directly to the Deputy CEO on sales, procurement and competitor price analysis.

Promoted after 4 months and given responsibility for the company's import operations.

Handle import documentation and coordinate with suppliers.

Main focus: analyzing and improving sales efficiency.

Identified and removed over 6,000 low-selling or non-selling items from inventory.

Analyzed the company's position in the Israeli market and adjusted positioning against non-kosher chains open on Shabbat.

Developed a method for removing underperforming products from the chain.

Collected and completed data for over 10,000 products in the system.

Improved communication with other departments, including finance, legal and accounting.

Tiv Taam | 06.2025 – 11.2025

Online Orders Manager

Managed a team of 20–35 employees depending on day and order volume (about 200 orders on a regular day across 4 picking stations, up to 350 on peak days across 3).

In the first weeks, reviewed the picking process on the floor and identified the main efficiency problems.

Improved picking efficiency, reduced errors and returns, and cut customer dissatisfaction from 25% to under 10%.

Worked with drivers to improve coordination and reduce delivery errors.

Developed a method for locating ready-meal orders, reducing picking time per order.

Led efficiency and automation improvements in the department and improved communication with other departments.

Beluga Group | 2020 – 2023

A leading company in local and international markets, Moscow, Russia

Procurement & Packaging / POS Development

Managed procurement with international suppliers, contract negotiation, and the full process from requisition to delivery.

Saved over 20% of the annual budget through tenders and improved supplier terms.

Developed and produced marketing packaging, gift sets and cardboard and metal displays for international alcohol brands, with an annual budget of over \$300,000.

Selected suppliers and manufacturers through tenders, including sourcing new suppliers; approved samples and controlled production.

Sourced glassware and decor items, coordinated logistics and supplier communication.

Managed inventory, document control and international shipments.
